Dear Sir/Madam

Subject : Requesting for Withdrawal of Visa Application

I would like to withdraw my application for study permit visa. I applied for study permit and produced all the required documents for financial and educational part. Application was submitted at VFS in New Delhi on July , 2013 and received by Canadian High Commission at New Delhi office on July, 2013.

Due to the time it has taken for your office to even start processing the file, I have elected not to pursue graduate degree in canada. Additionally the utter lack of communication from your office regarding this file has made this visa application process frustrating and completely unproductive. I hope for the benefit of future non immigrants, your Ministry can find ways to improve the efficiency of this system.

I am not able to attend Fall intake 2013 because deadline has passed and this graduate program only runs once in a year So I can not wait until next fall intake 2014.

So kindly request you to withdraw my case and return my origional documents.

Please accept my appreciation for time you have invested to look through my file and documents.

Thank You

Sincerely
